Nora told the Tim Hortons owner to reach out to us, it seems from the below.

How do you want me to respond?

Chris

Good Afternoon hope all is well, thank you for sharing info on the City's efforts to deal with the Huron Church closures through Nora. I heard the Mayor this morning on the radio asking business to provide info on sales losses as a result of the blockade on Huron Church to approach the Federal Government to provide support to businesses. As Nora mentioned I own the two Tim Hortons locations on Huron Church both of which have been heavily impacted.

Could you please let me know how to go about providing this information to City so that you can gather this as part of your ask.

Please let me know if you need anything else feel free to call me at [REDACTED]

Thanks
